Aloha nui,

We hope this letter finds you well. As we approach our 5th Annual Jubilee, we are reaching out to invite you to be a part of this special event and support the Institute for Native Pacific Education and Culture (INPEACE) in our mission to improve the quality of life for Native Hawaiians through community partnerships that provide educational opportunities and promote self-sufficiency.

We are excited to host the 5th Annual INPEACE Jubilee presented by Hui Huliau at our new headquarters in Nānākuli, bringing our fundraiser back to the community where INPEACE started over 30 years ago. The evening will consist of live entertainment, local cuisine, and a silent auction, promising a memorable experience for all attendees.

For over thirty years, INPEACE has been a cornerstone of empowerment, providing essential services that uplift individuals and families. Given the current federal funding landscape, we are facing growing challenges in keeping our programs running. Your sponsorship is more crucial than ever to ensure we continue making a positive impact in the communities we serve.

With your generous contribution as a sponsor, we will be able to:

- Sustain our educational programs, allowing us to continue to provide opportunities for children and adults to learn and grow.
- Enhance our community outreach initiatives, reaching more individuals in need of support.
- Strengthen our cultural preservation efforts, celebrating and preserving the rich heritage of our community.

Your support will not only help us maintain these vital services but also allow us to innovate and adapt to the evolving needs of those we serve. Together, we can create a brighter future for everyone in our community.

We are deeply grateful for your consideration and hope you will join us in making this year's Jubilee a memorable and impactful event. Please refer to the attached Sponsorship Packages document for various levels of support available.

Me ke aloha,

Sanoë Marfil  
Chief Executive Officer
